40 kg	320 g	360 g	400 g
50 kg	390 g	435 g	480 g
60 kg	435 g	485 g	535 g

Recommended daily amount – see feeding guide.

It is recommended to feed in 1-2 daily measured meals. As the daily individual requirement may vary depending on the dog's weight, age, sex, activity level etc.

It is recommended to monitor the dogs weight and adjust the amount fed to fit the individual dog.
